The sum of $139.62 is on deposit in Greenville bank, surplus money from the 150th anniversary of the town. $20.00 was withdrawn from this fund this last year for historical works. $13.69 was expended; balance in treasurer's hands, $6.31.

C. E. ROCKWOOD, Treasurer.

REPORT OF THE SECRETARY OF THE BOARD OF LIBRARY TRUSTEES.

There are at the present time 3958 volumes in the library, 88 of which were added the past year.

The number of volumes in circulation was 3227.

Dr. William Bancroft Hill has continued to send "Everyman's Library" as fast as the volumes have been published.

General James Miller has presented the library with a card-index and is to have three new alcoves placed in the library at his expense.

A number of histories have been purchased from the fund left to library after paying the expenses of the 150th anniversary celebration. HARVEY M. EASTMAN, Secretary.

REPORT OF SCHOOL BOARD.

We feel that our schools have done good work during the past year. We have been able to retain the same teachers and have had a larger number of weeks than usual. The attendance has been fairly regular, although some improvement might be made in that respect. As we have said in a previous report, the amount of money received from the state depends upon the per cent. of average attendance, and that per cent. might perhaps be somewhat higher with a little more effort on the part of parents and pupils.
